

CONFIDENTIALITY POLICY

In compliance with the requirements of the various government and regulatory agencies controlling and administering the issuance of our various licenses and registrations regarding confidentiality, it is the policy of our Company not to disclose, divulge, or make accessible confidential information belonging to, or obtained through their affiliation with the Company to any person, including relatives, friends, and business and professional associates, other than to persons who have a legitimate need for such information and to whom the Company has authorized disclosure.

This policy is not intended to prevent disclosure where disclosure is required by law. We must exercise good judgment and care at all times to avoid unauthorized or improper disclosures of confidential information.
